Unity 3D, C#, SCRUM, Team Leader, Agile Management, Gamification, Serious Games, Class Representative

LANGUAGES

- Dutch (mother tongue)
- English (Cambridge AcCEPT* Proficiency)

EXPERIENCE

Ipse de Bruggen, Nieuwveen – *Ondersteunend Begeleider B*

FEBRUARY 2022 – JULY 2024

- I worked as a nurse with the severely disabled and loved this work.
- I was not able to continue due to my own physical ailments.
- My goal is to continue work in the healthcare sector, but this time in healthcare technologie
- I also completed a free subject (*Keuzedeel*) called 'Technologie in de zorgsector' which went in depth into tech in healthcare.

EDUCATION

Grafisch Lyceum Utrecht, Utrecht – *Creative Software Developer*

AUGUST 2024 – NOW

We get +- 4-8 weeks per project (depending) either within a small team or alone. Every project I work on new systems and teamwork using Agile Management. All of these projects are also visible on mmispot.itch.io.

MBORijnland, Alphen aan den Rijn – *Verpleegkunde*

AUGUST 2021 – AUGUST 2024

I worked as a nurse with children and the handicapped and enjoyed this thoroughly. I needed something less physically intensive, so I decided to switch to another major.
